

LETTER FROM YOUR DRC

LEADERS,

Welcome to the start of your new years and the start of my last year as your DRC! I'm hoping the excitement of the AWESOME UTAH CRC carried over to your chapters. Please keep and utilize all the tips and training to make your year successful. I will be working on my goal of establishing a regional calendar with deadlines and general chapter guidance. The year typically starts heavy with finalizing your chapter meeting programs and making a plan to achieve your goals.

PAOE: This is your playbook for your chapter operations and committees. Please be sure you are reviewing with your volunteers to decide which activities you are planning for the year. You can see the latest PAOE list on the Region IX website or search on ASHRAE.org

Goal Planning: Chapter presidents are required to have a goal-setting meeting with me. Please plan to do so with me before October 1 for PAOE points. Send me 2-4 measurable and achievable goals outside of your normal operation. I'll review and discuss with you as needed. Thanks to all that have already sent them to me.

That's all I am requesting for now so you can focus on your first meetings. I'm looking forward to working with you all!

Happy Holidays!! ~Tyler

Regional News
